Experience

Ahmad Asmadi Architecture
CEO

April 2001 - Present (20 years 9 months)
Kuala Lumpur, Malaysia

Ahmad Asmadi Architecture a.k.a. A3 is a small-size architectural practice previously known as Nucleus Architecture. Started way back in 2001 designing mostly private residences, we are currently servicing various public and private sectors in both East and West Malaysia.

myGlam sdn bhd is a glulam (engineered glued-laminated timber) design and manufacturing company in Malaysia. We are currently been producing curved glulam beams as well as simple straight beams from our factory in Selangor, Malaysia.

Education

Universiti Sains Malaysia

Bachelor of Architecture (B.Arch.), Architecture · (1988 - 1993)
